MEDICAL PRACTICE CONSULTING & EDUCATION

Where do you see your practice in 10 years? **THE PHYSICIANS PRACTICE S.O.S. GROUP (PPSOS)** is a healthcare consulting & education firm that provides long-range planning, practice assessment, new practice set up, auditing and training to physicians and their staff. For more than 20 years, their consultants have helped healthcare providers across the country streamline their business processes & keep current with ever-changing state & federal guidelines.

Whether you're preparing for a Federal, State or Third Party Payer audit, searching for opportunities to expand your practice or need educational services, their consultants can provide the tools & training you need. Their extensive, quantitative analysis generates comprehensive reports that identify your practice's problem areas, as well as opportunities for expansion. PPSOS group consultants will help you & your staff understand the data collected & implement sustainable solutions. Their seminars & workshops are designed to help your practice stay updated & compliant with the many complex healthcare issues. Contact them for more information.
