

Other Services

Through our partnership and/or co-ownership we also offer these other services.

Commercial Real Estate Leasing Services:

Often time physicians sign a lease and the only person they have worked with is the agent from the building they want to move into. That agent is really working on behalf of their client the building owner. That's why we took the extra steps to become licensed – we did not want our clients to be taken advantage of. Our firm specializes in commercial real estate for healthcare providers. We're here to help create and deliver real value through commercial real estate for our clients. In a complex world that is constantly changing, we are committed to helping you understand and navigate the intricacies of commercial real estate—whether you're an investor or occupier of space. Because we understand the unique needs of physicians we've been able to develop an enduring client relationships built on quality service, collaboration and trust. Our commitment to your business success goes beyond the bottom line as our leasing services also include help to design your space layout and décor.

Medical Office Equipment:

Our clients find that with one point of contact, for all their practice needs it is a much more efficient and pleasant process, it is because of that we can offer through our partnership with Innovative Business Source a select line of nationally recognized medical equipment which offers a value to doctors by providing the features and reliability they need while still fitting within their budget.
